EXHIBITORS AND OWNERS OF TERRIERS ENTERED MUST BE CURRENT JRTCA MEMBERS

GENERAL RULES FOR ALL EXHIBITORS

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members, and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT registry. If an exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries MUST be within the 10-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months of age) are not eligible for a championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season to be refunded with vet certificate from owner, or as otherwise agreed upon by the Trial Chairperson.
6. Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Family*, Open or Working Conformation.
*Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed / neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the Conformation Division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household, may not be entered in any phase of the competition, with the exception of Child and Youth Handling classes.
9. Terriers owned by Judges may not be entered in the division in which they are judging, but may enter the competition in any other division.
10. Terriers owned by Stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September, 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at the Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier classes or Certificate Go-To-Ground/Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the Ring/Den Steward at the time of judging. Registered terriers may submit a copy of NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.
14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered, and asked to leave the trial site. (This applies to RVs & campers, if at the same address as the trial grounds).
15. All dogs must be leashed or crated except when competition requires off leash work. No liberty leashes allowed
16. Overly aggressive dogs, or an owner's failure to control their dog, may result in disqualification at the discretion of the Judges or the Trial Chairperson.
17. The abuse of dogs or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs other than JRTs on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. Exhibitors are responsible to double-check the classes they have entered and be on time. No refunds will be given for missed classes.
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office 410-561-3655; or it can be downloaded from the JRTCA website (www.terrier.com).
21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties, which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their sole and absolute discretion.
22. All dogs brought to JRTCA Sanctioned Trials must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious diseases.
23. **THE JUDGE'S DECISION(S) CONCERNING PLACEMENTS ARE FINAL IN ALL DIVISIONS!**

Both fees are turned in to the JRTCA.

Conformation measurements will be performed by the Conformation judge or their designee ****before**** the start of Conformation classes. The judge, however, may call for a measurement once a class begins. Measurements made at this time will be considered the terriers' official height for the duration of the trial.

Persons applying for membership in the JRTCA, or renewing a current membership, must not be a member of a conflicting JRT organization as defined by the JRTCA, and must not register their JRTs with any conflicting organization or any all-breed kennel club. Conflicting organizations include any organization promoting kennel club recognition/registration of the JRT. In accordance with the Bylaws and regulations of the JRTCA, membership may be terminated, suspended or refused by the JRTCA Board of Directors for any conduct which may be considered likely to prejudice or damage the image of or interfere with the efficient running of the Club, or compromise the breed in any way.

IMPORTANT

The JRTCA is adamantly opposed to recognition /registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTCA membership is limited to individuals who support the JRTCA's principles. Registration of Jack Russell Terriers (or any variant thereof) with any all-breed kennel club, or membership in any organization that supports all-breed kennel club recognition/registration, is not acceptable for application to membership in the JRTCA.

The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.

A 20"x30" acrylic ready to hang copy of the above image is being given away at the 2018 JRTCA National Trial in October to benefit the Jack Russell Terrier Research Foundation

and you could win! This image is printed on acrylic glass, no framing needed. Every \$10 purchase of a special 5"x7" print gets you a chance in the drawing. If the winner is not present, I will ship it to them and cover the cost of shipping within the Continental United States. For all other locations, I will split the cost of shipping with the winner.

HARBOR CONCIERGE MEDICINE ASSOCIATES

Welcome to the 2018 Rainier Hunt Classic!

In addition to offering selected treatment appointments throughout the weekend, Harbor is offering on-site basic medical care for this event. For emergent care through the weekend, please call 9-1-1. If you are unsure, please don't hesitate to ask for help if you are considering going to a local urgent care or the emergency department to be seen. We may be able to help you avoid such a visit.

Priority will be given to those who book at least one week ahead of the trial due to product storage requirements.

Treatments available for booking over the weekend include:

- **Biomedical dry needling** - based on western pathophysiology of disease, involves insertion of acupuncture needles to trigger points and acupoints throughout the body to reduce a variety of symptoms, such as pain and muscle spasms.
- **Botox Cosmetic**
 - May be to relax facial muscles to reduce the appearance of fine lines and wrinkles.
 - Used as a medical treatment, it is helpful to reduce chronic headache symptoms for some patients.

- **Fillers** - we prefer the Allergan family of cosmetic injectable products, including **Voluma, Vollure, Volbella, Juvederm XC, and Juvederm Ultra XC**. These are used in different areas, for different reasons, to produce specific results.
- **Kybella** - produces a reduction in submental fullness to permanently eliminate or drastically reduce the appearance of a "double chin." *Pre-booking and a deposit is required.* If you elect not to undergo this treatment, you may use your deposit toward another product/service.
- Any cosmetic injectable

includes a total facial assessment

appointment

Special discounts will be

offered for TriState members and trial participants.

Offers from our other recent events will continue to be honored through the weekend.

Consider taking some "me" time with lasting results!
