

Hello from the Tri-State JRT Club!

Coming out of winter and heading into spring, we're in full trial planning mode. Our venue is set, ribbons are being made, prizes are sorted, and all the little details that make a trial come to life are in the works. We have a fantastic onsite dinner planned and will host our Annual General Meeting during the dinner.

As an affiliate club that represents three states, Washington, Idaho, and Oregon, we are fortunate to be able to host a trial in any of these great states. This year, we are hosting the trial in Idaho, introducing the Treasure Valley Gemboree! We found a nice venue at the Payette County Fairgrounds to host this year's trial. It's nestled in the Treasure Valley area of Payette County, in New Plymouth, ID.

This year's new venue is close to hotels and restaurants, there's plenty of onsite camping, and it's an easy drive from the Boise Airport (ask us about our Fly-In special). We have lots of fun planned for your terriers and some fun events for your terrier's (other breed) friends too. We're having conformation, gtg, super earth, racing, trailing & locating, a new, fun style of brush hunt, some games, and we'll have Urban Warfare again this year!

A very special thank you to all our members that have stepped in to help in so many ways, you are all appreciated and treasured 

We're very excited about this trial and hope you'll come on out and join us June 11th & 12th in all the terrier FUN!
